Kindergarten Standards | Common Core Worksheets ...

These standards are called the Common Core State Standards (CCSS). Having the same standards helps all students get a good education, even if they change schools or move to a different state. Teachers, parents, and education experts designed the standards to prepare students for success in college and the workplace.

Kindergarten » Introduction Print this page. In Kindergarten, instructional time should focus on two critical areas: (1) representing and comparing whole numbers, initially with sets of objects; (2) describing shapes and space. More learning time in Kindergarten should be devoted to number than to other topics.

Kindergarten » Introduction | Common Core State Standards ...

For states adopting Common Core, the standards apply to kindergarten, laying out what students should be able to do by the end of the grade.* Kindergartners are expected to know basic phonics and word recognition as well as read beginner texts, skills some childhood development experts argue are developmentally inappropriate.
